Introduce Yourself

I am a dedicated Library and Information Science professional with a PhD from The Islamia University of Bahawalpur and extensive experience in acadce research, and digital resources..

Experience

Position	From	To	Departmental Field of Work	
Librarian	11-01-2005	03-03-2009	As a Librarian at Beaconhouse School System, I managed daily library operations, developed and maintained a balanced collection, and implemented library automation. I conducted research training, promoted reading through book clubs and storytelling, and collaborated with teachers to integrate library resources into the curriculum. I also facilitated digital learning, and organized literary events.	Beac and C
Deputy Librarian	04-03-2009	Currently working	Library Management: Oversee daily operations, staff, and budget. Collection Development: Acquire and maintain academic resources. Digital Resources & Automation: Manage databases, e-resources, and library systems. Research Support: Assist faculty and students in research. User Education: Conduct literacy programs and training. Policy Implementation: Develop library policies and service.	Islamia Pesh Sect
